WHIRLWIND BPM 52

Cm - Bb - G# rpt

The winds come and blow (repeater)
Hey - Hey blow (repeater)
The dust begins to rise X 3

The winds, come, they blow
Inviting me into the secret stairs
Take me high above the noise
Into the stillness, into the mystery into serenity, into eternity

Verse 2

In the stillness
In the stillness above the noise x 3
We're in the stillness, high above the noise
Higher, Higher and Higher

Ad lib. Section

Take me high above the noise (higher, higher, higher)
In the Vortex
Higher, Higher, and Higher
In the Whirlwind, Up and Away
Up and Away, up in the Whirlwind
Round, round, round we go
Blow, Blow Yeah
Round, round, round we go (In the Whirlwind)
Up in the Whirlwind, In the Whirlwind , In the Whirlwind
We dance, round, round, and round.
Going up in the Whirlwind
Up in the Whirlwind
In the Whirlwind
We go, We dance
